without all of you! We may be two groups within the Eagle but together we are one.

Words can't express what a pleasure and honor it has been serving as your President. I look forward to working and

fellowshipping with everyone this upcoming year and into the future. Each of you are what makes our Eagle great and I truly thank you for all that you do! We are "People Helping People" and we are family! Take care of yourselves and God

bless!

From the Auxiliary President

Time sure does fly by fast. Seems like we just started a short time ago and here it is time to go. I must give a HUGE shout out to all the Officers and Members of this Ladies Auxiliary for all the help, encouragement, support and love shown over this past year. I look forward to serving another Chair, wherever I'm needed most and I wish all the best to the Upcoming Officers. So much has

been done yet there's so much more to do. Ladies, your always needed, your God given skills, no matter how big or small they seem play a huge part in keeping this organization going.

I'm looking forward to organizing the Craft Fair this Fall and am looking to form a committee and searching for vendors. If you have an interest in either

being a vendor or helping to get this going, please see, call, text, email or Facebook me. I'm easy to find. God Bless everyone and hoping you have a fabulous summer!

Auxiliary President
