Presidents' Messages

Sisters and Brothers,

The summer has just been moving along way too fast! July sure kept me busy with the Independence Day picnic, Auxiliary dinner, Delegate's breakfast, State dart tournament, Thanksgiving in July, and Trustees burger night. Thank you all for attending these functions.

I'm very proud to say that Aerie 3204 was the only Aerie who had women competing at the State Dart Tournament on Saturday, July 19. Yours truly won second place, and Crystal Roe took fourth along with our luck-of-the-draw partners. We all felt like winners though, we had so much fun!

Things do not look like they are slowing down in August. There is the conference in Culpeper and the Ladies Auxiliary dinner with a lip sync battle and DJ Shannon too! The Delegate's breakfast this month will have some extra guests; there is a charity Poker Run that day whose participants will be joining us all for breakfast. The parking lot may be a little full, but the Delegates will have enough food for everyone, please come in and show them some 3204 hospitality! Be sure to look over the calendar so you do not miss any fun events.

In closing, I just want to say thank you to everyone for your support to both the Auxiliary and Aerie. We appreciate it so very much.

Hope to see you around the Aerie!

Linda MacDonald
Madam President

Hello!

We are members of an awesome organization. The Fraternal Order of Eagles has over 65,000 members in 1300 locations across the United States and Canada. We donate nearly \$10 million annually to a variety of national and local organizations specializing in research, patient care and community improvement. Since 1898 the Eagles have influenced daily life through the creation of Mother's Day, Social Security, Medicare, Operation Eagle and our FOE Diabetes Research Center. Members of the Eagles have included Presidents and Congressmen; city, state, and local leaders; actors and professional athletes. You and I are part of a unique group.

Let's keep that awesomeness going at the local level by stepping up and joining a committee. There is so much we can do if we all work together!

Over the next few weeks, we are going to be hearing from the Building Committee about rezoning the lot next door in preparation of using that space to expand. Rezoning is going to require a site plan. A site plan is going to require us all to make a decision about the direction that we want to go with building matters. Keep these thoughts in mind and be ready to discuss at your August meetings so our committee members hear your voice.

Thank you for all you do!

Kevin Bowser
Worthy President

Auxiliary Ways and Means

Thank you to everyone who came out to support the Auxiliary dinner on the 5th of July. Everyone who participated in the dart tournament really had a great time. Thank you, Tess, for all your hard work! Of course, everyone had fun with DJ Shannon that night too.

I know you're probably wondering what's for dinner on August 2nd. We will be serving a cold platter with chicken and tuna salad, pasta salad, three bean salad and dessert, of course. To help you work off all that food, we will be having a lip sync contest! Be ready to compete! Start picking your song now, costumes and a little choreography are encouraged, but definitely not required!

In September, we have a special treat in store for you. Our own Brenda Fogleman and the dancers from the Hula Studio Kahanuola will be back to perform their hula dances for us. Be sure to mark the 6th on your calendar, you don't want to miss this!

As always, your help in supporting our charities and fundraisers is greatly appreciated!

Corinne Smith

Food Pantry Update

With summer in full swing, we are reaching out with heartfelt gratitude for your continued generosity. Your past donations have helped us feed countless individuals and families, and we are deeply thankful for your support.

This time of year presents a unique challenge: with schools closed, many children in our community no longer have access to the free or reduced-price meals they rely on during the school year. That's why we are asking for your help again.

We are in special need of peanut butter and jelly--nutritious, kid-friendly staples that are simple to prepare.

Please consider donating jars of peanut butter and jelly to help us meet the needs of these children. Every donation, large or small, makes a meaningful impact. Thank you for your generosity and commitment to our community.

Theresa Hart
